

MEET THE SHLICHIM AND RISHONIM19

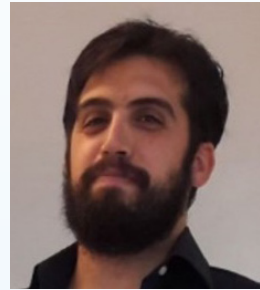

Each year, in partnership with the Jewish Agency for Israel, Federation brings a delegation of *shlichim* and *rishonim* (emissaries) to Greater MetroWest to educate children, teens, and adults throughout the community about Israel, its people, and its culture, and to spark in them an interest in Israel. *Shlichim* are professionals in the fields of education or social services, and *rishonim* are here for a gap year between high school and army service.
